New Hire Announcement – Quality Assurance Manager

Auburn, NY – Currier Plastics, Inc. www.CurrierPlastics.com is pleased to announce that Tim Walawender has accepted the position of Quality Assurance Manager effective immediately.

“Tim has been a key member of the Currier Plastics team since 2003, spending all of his 13 years in the Quality Department as a Quality Assurance Engineer,” said Sriraj Patel, Director of R&D. “Tim continually offers valuable input and insight into our operations. Tim is a familiar face around the facility, and his accomplishments have prepared him for this role.”

Tim holds a Bachelor’s of Science in Mechanical Engineering from State University of New York, Institute of Technology in Utica, New York as well as an Associates in Applied Science in Mechanical Technology from Cayuga Community College. Tim has also served the interim QA manager here at Currier Plastics for 6 months in 2008 as well as the Quality Control Manager at Leonardi Manufacturing from 1999 – 2003 prior to joining Currier Plastics.

Currier Plastics is located in the heart of central New York and has been custom molding for a variety of industries such as plastic packaging, beauty and cosmetics, amenities, household consumables, electronic connectors and medical measuring devices since 1982. ###
