For immediate release

San Antonio, TX Currier Plastics was recognized as a 2019 TricorBraun Supplier Partner receiving one of the Developmental Partner Awards at TricorBraun's 2020 Annual Sales Meeting & Supplier Showcase.

"Our supplier partners are essential to helping us meet our customers' needs, so it's important that we recognize the best of the best and celebrate our joint success," said Mark O'Bryan, chief operations officer,

TricorBraun. "Together, we create opportunities to grow our businesses while delivering world-class packaging solutions."

TricorBraun's Design & Engineering team chose Currier Plastics for this award because of the team collaboration that begins at the design concept phase and continues through production and which ultimately guarantees success.

About TricorBraun:

Founded in 1902, TricorBraun is North America's largest distributor of primary packaging and a portfolio company of AEA Investors. The company provides innovative solutions across a wide array of customer end markets in plastic and glass containers, closures, dispensers, tubes and flexibles.
